Subject: Docket No. 2012-203-E - Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina

Scott:

I am in receipt of your letter of January 10, 2013, asking for clarification on whether or not a more full and complete decision will be issued by the Commission, subsequent to the directive denying the SCEUC Petition for Rehearing in the above-captioned Docket. To clarify, the answer is yes, the Commission is preparing a more full and complete written decision denying the SCEUC Petition for Rehearing in Docket No. 2012-203-E, which will be issued in the near future. I trust that this reply is helpful. If there are further questions, please do not hesitate to contact me.

Regards,

David Butler
